

NAVAS. K

UI/UX Designer & Front-End Developer

+91 93834 91867 | figmanavas@gmail.com | Malappuram, Kerala, India | mywork.co.in/navas

PROFILE SUMMARY

Creative UI/UX Designer with 6 months of internship and 1 year of Front-End Development experience. Skilled in Figma, wireframing, prototyping, responsive web and mobile design, HTML, CSS, Bootstrap, and JavaScript. Passionate about creating user-centered, responsive, and visually engaging digital experiences.

WORK EXPERIENCE

Front-End Developer

The Chandraz

2025-2026

- Developed responsive websites using HTML5, CSS3, Bootstrap, and JavaScript.
- Converted Figma UI designs into pixel-perfect, responsive web pages.
- Optimized websites for desktop, tablet, and mobile devices.
- Collaborated with UI/UX designers to ensure design consistency.
- Improved website performance and user experience through responsive layouts and clean code.
- Maintained cross-browser compatibility and reusable components.

UI/UX Design Intern

ARCRAFT INFOTECH

6 Months

- Designed user-friendly web and mobile application interfaces using Figma and Adobe XD.
- Created wireframes, user flows, mockups, and interactive prototypes.
- Designed responsive layouts following modern UI/UX principles.
- Worked closely with developers to ensure accurate implementation of designs.
- Conducted design improvements based on user feedback and project requirements.
- Assisted in creating design systems and reusable UI components.
